1	DRIVER
2	move to the at the time, it was called BSG
3	Management Services Limited, but then changed
4	to Onyx. He then introduced me to people. And
5	went for an interview, and it was Lisa who
6	gave me interview. And they agreed to employ
7	me.
8	I was happy to move from one job to
9	another and not to be unemployed. So I moved
10	across to to the Onyx office.
11	Q. Just to make sure I understood your
12	answer. I'm not sure that I heard the name
13	that you mentioned of the person that you
14	interviewed with.
15	A. Lisa, I believe her name was Lisa
16	James Holmes. I think she was director or
17	office manager at Onyx or BSG Management
18	Services at the time, now called Onyx. I'm
19	going to refer to them as Onyx, if you don't
20	mind.
21	Q. Other than Lisa, was there anyone
22	else that you interviewed with?
23	A. Not that I recall. I'm sorry. It
24	was 12 years ago.
25	Q. Yeah. You said that BSG Management

1	DRIVER	
2	Services Limited was the name of the company	
3	nat hired you; is that right?	
4	A. Correct. Then subsequently changed	
5	s name to Onyx, Onyx Financial Services.	
6	Q. When did it change its name?	
7	A. I do not recall.	
8	Q. Do you recall why it changed its	
9	ame?	
10	A. No. I'm not involved in that	
11	process.	
12	Q. You don't have any understanding of	
13	why it changed its name from BSG	
14	A. No, no.	
15	Q. I know that you mentioned that BSG	
16	Resources, the reason that you they asked	
17	ou to come over to what we will call Onyx.	
18	Was there anyone that you worked	
19	with while you were at Cunico that also that	
20	also came over with you to Onyx? Was it just	
21	you that moved over from the UK office?	
22	A. I think it was just me.	
23	Q. And when you worked at Cunico, did	
24	ou did you work with someone by the name of	
25	Dag Cramer?	

A. I didn't work with Dag Cramer at the Onyx office. I think Dag was back then, is currently now, a director of BSG Resources Limited. I won't say I worked with him. Q. So he wasn't working at Onyx during the time that you worked there? A. I believe he was at Onyx at the time worked there, but I did not work with him. Q. Got it. So when did you first meet him? A. When I started there, I do believe he was also at the same office. And I do believe I did meet him when I was there. Q. But what you're saying is you didn't interact with him while you were there? A. No, no, I don't interact with him much. Q. And so, again, we're going to refer

much.Q. And so, again, we're going to refer	
19 Q. And so, again, we're going to refer	
to it as Onyx. What was Onyx? What was its	
21 business?	
A. Do you recall I talked about De	
Novo? De Novo is a company that provided	
24 services to other companies. I believe Onyx	
25 was the same kind of the same. It was a	

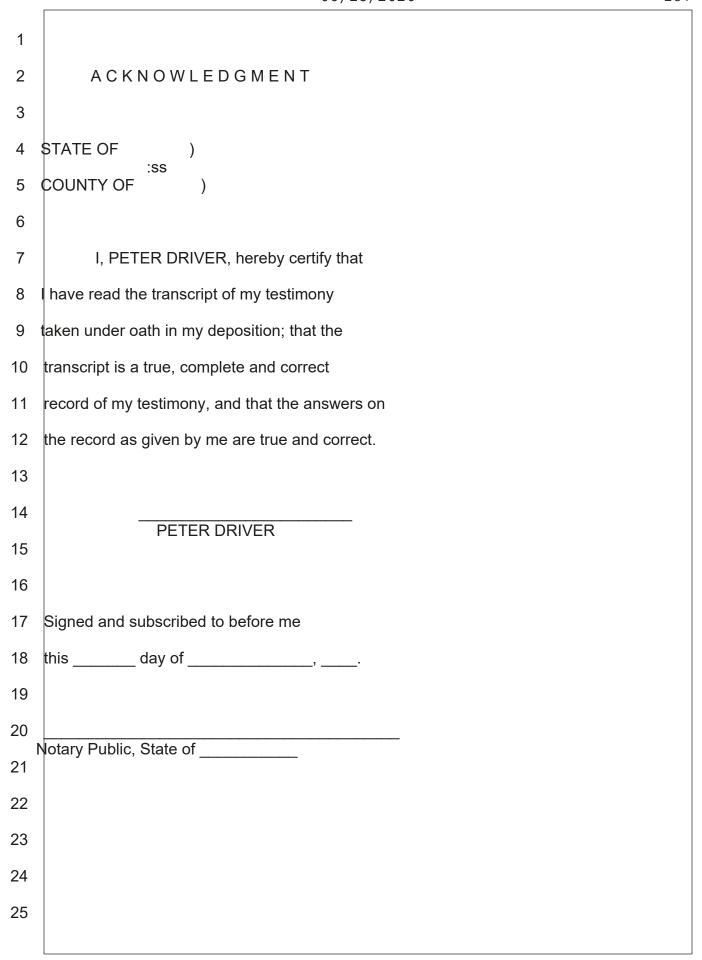

1	DRIVER
2	company that recruited qualified people and
3 ;	also sent to the client.
4	Onyx, which was a large pool of
5	professionals being based in London and could
6	outsource them to do and assist operations
7 1	throughout the world. The main client is being
8	BSG Resources in Guernsey.
9	Q. So other than BSG Resources, you
10	mentioned that that was its main client.
11	What were its other clients?
12	A. I do not know these details. My
13	main concern was BSG Resources. So I did not
14	interact with the other companies.
15	Q. Were the other companies owned or
16	affiliated with Beny Steinmetz?
17	A. Not that I'm aware of. I do not
18	know. I cannot answer the question. I don't
19	know the owners of those separate companies.
20	Q. And you said that it mostly it's
21	main client was BSG Resources.
22	A. As far as I was aware.
23	Q. I see.
24	A. As far as I'm aware, it was. That's
25	what I was working on.

1	DRIVER
2 '	who are not directors of BSGR.
3	Q. And going with the example that you
4	spoke about, you know, having you know,
5	naving basically, having someone who is at
6 1	he group level also involved at the Octea
7	evel helps ensure, like you said, that Octea
8 i	s thinking about what's helpful for the group
9 '	when it makes when it undertakes a strategy
10	so that it's thinking about I think the
11	example that you used was how to ultimately get
12	beyond the threshold and start being able to
13	pay off its debt to BSGR; is that right?
14	A. It does assist in that.
15	Q. So I think that you had mentioned
16	before that there were four employees for BSG
17	Resources Limited and that they were all in
18	Guernsey when you first began that role.
19	Today, how many employees does BSG
20	Resources Limited have?
21	A. Just to go back, can you repeat that
22	question? Because I believe I said one of the
23	four was employed by Real Estate and two of the
24	others, plus me, three, were BSG Resources.
25	Q. I could be wrong, but I thought

1	DRIVER
2	that, and this is me going off my memory and
3	not looking at the transcript, I thought it was
4	David Clark, Malcolm Barnes, Gemma
5	A. Sorry. And myself. I was
6	forgetting David Clark. I apologize. I had
7	forgotten about David Clark. Yes. Sarah Bryce
8	is in Real Estate. David Clark, Malcolm
9	Barnes, Gemma and myself were Resources.
10	Q. So that it was four, three in
11	Resources and one at Real Estate.
12	A. Correct.
13	Q. Perfect. So today, how many
14	employees
15	A. Today, BSG Resources has got me.
16	THE COURT REPORTER: Mr. Driver, it
17	would be better if you let her finish the
18	question, please.
19	THE WITNESS: Sorry. Sorry.
20	Q. Thank you. And you were
21	anticipating my question, Mr. Driver, but for
22	Melissa, that is it's good to let me finish.
23	So my question as you anticipated
24	was, today, how many employees does BSG
25	Resources Limited have?

1		DRIVER
2	A.	One directly. BSG Resources has
3 1	myself iı	n Guernsey. Malcolm has moved to be
4	employe	ed directly by Octea.
5	Q.	Okay. And when did that happen?
6	A.	When Octea migrated to Guernsey,
7 1	Malcolm	moved across the 2nd of January 2019.
8	Q.	Okay. And Malcolm I'm sorry. Is
9 1	Malcolm	still in Guernsey?
10	A.	Yes, he is.
11	Q.	Okay. So as a director of BSGR, can
12	you tell	me, where are the BSG Resources
13	Limited	board meetings held?
14	A.	In Guernsey. The BSG Resources
15	Limited	meetings are held and hosted in
16	Guerns	ey.
17	Q.	And how many times a year does the
18	board n	neet?
19	A.	Before or after going into
20	adminis	stration?
21	Q.	Thank you, again, for that
22	clarifica	tion.
23		I'm going to ask you for both. So
24	before a	administration, how many times did they
25	meet ar	nd then after administration, how many

1	DRIVER
2 1	limes have they met?
3	A. Okay. After administration, I think
4	physically met once in November or
5 I	December 2018. There was a planned meeting for
6 '	19. It was planned for two meetings in '19,
7 I	but those were postponed. And this year
8 1	nothing has been planned or physically possible
9 1	his year.
10	Before then, I believe there were
11	four meetings a year before the administration,
12	possibly more. I need to refer to my to my
13	physical meetings in Guernsey.
14	Other meetings were held where I
15	hosted a meeting in Guernsey by telephone and a
16	third meeting in Guernsey, but other
17	participants dialed into the conversation.
18	Q. Okay. Great. Sorry.
19	Does BSG Resources, does it own the
20	office, the building for the office that it is
21	located in?
22	A. No. BSG Resources does not own the
23	building.
24	Q. So who does own it, do you know?
25	A. An unrelated company owns the
